BELLVIEW SCHOOL NOTES

School work is going on with great zest and we are accomplishing very much.

The club members are all talking and planning the nice times they will have at the club meetings next summer.

No one is thinking of dropping out this year. We decided to have our club meetings the second and fourth Saturday afternoons.

There will be a program and pie appear in the school auditorium Saturday night April 30. The money is

to be used for payments on the piano. Everyone be sure to be there. Elmer Witherspoon is very ill with pneumonia. We sure miss him from school.

PLEASANT HILL ITEMS

Quite a number attended the Singing convention at Ranchvale Sunday. The B. Y. P. U. Social which was held at the home of Mr. G. W. Hyde Friday night was enjoyed by all, and a good time was reported. Mr. and Mrs. Jim Graham visited at the home of Mr. and Mrs. C. H. DeLozier, Sunday.

The "Farm Bureau" meeting which was held in the auditorium was well attended, and every one received a lot of good from the talk by Mr. Cummings. Most of the farmers there joined the Farm Bureau.

The young folks did not have any B. Y. P. U. Sunday night on account of not having received the quarterlies. But we are hoping to have them by next Sunday.

The young folks practiced singing Sunday night.

A few visitors from Holleene were at Pleasant Hill Sunday evening.

Mr. Gordon Smith has been visiting at the home of Mr. S. M. Snodderly here of late.

Mr. and Mrs. G. W. Hyde attended church in Clovis Sunday.

There will be singing at the Baptist church of Pleasant Hill Sunday May 1st. Everybody come.

Miss Mary Eads spent the night with Mrs. Hyde Friday.

A number are planning to go to the summer school at Silver City this summer.

Who Knows?

Where did Bryan go Sunday night? Who was lonesome Sunday night? Who left the social early Friday night?

Who got home at 3 o'clock, and why was he detained?

Which way has the Chandler car been going the last month?

Who was asleep when the seat turned over?

How many got scared while riding in the airplane?

Who found the most peanuts, and what he got?

Who attended the show in Clovis Thursday night?

Who was reading the "Joke Book" Sunday night?

Boys' and Girls' Club Corner

By Mrs. Edna Hume Durand
County Club Leader

The West Chapel group has selected the last Saturday in each month as their general club day.

Fairfield club, accompanied by Mr. Blinkinstaff, one of the teachers, attended the meeting held at Locust Grove school house Monday morning.

Anyone having baby chicks for sale please notify the county agricultural office. There are requests in for Rhode Island Reds and Barred Rocks.

Dwight Hurley of Havener has taken up pig club work and purchased a pig from Dr. Crile of Roswell so that he could have the "same chance" as the other members of the Havener club.

"To watch the corn grow, or the blossoms set; to draw hard breath over plough-share or spade; to read, to think, to love, to pray—these are the things that make a man happy." —Ruskin.

To local leaders—If any pig club member has not secured a registered pig for his work this year, please notify the club agent specifying the breed desired so that stock can be located for him.

The Fairfield club is organized and have commenced work. The officers for 1921 in the federated projects are:

Jefferson Boone, President.
Luther Moss, Vice President.
Oeta Clark, Secretary-Treasurer.

One of the best lessons Mr. Cummings left for the club boys and girls of Curry county was the intense Americanism he lives. An Americanism that means much to the youthful citizenship, the sort that is red-blooded, honest and intelligent.

Paul Giles of Popular Grove, Ark., won first prize in the county for his corn club work last year. Paul's acre made a yield of 76.3.

George Barner of the Good Luck Club won second with a yield of 68.25. The prizes were \$50 and \$25 each.

Work That Some of the Other Counties are Doing.

Quay County has shipped in 26 Holstein calves from Wisconsin. There will also be a registered sheep club that will secure stock from without the county. The pig club members are securing stock that is Quay grown this year.

Union County will conduct a great-

or part of the work in connection with the Farm Bureau this year. They have 13 local leaders who are assisting in the work of organization.

Bernalillo County has a real booster in the Albuquerque Journal. The Journal is offering \$100 in prizes for corn club work this year. Mr. Reynolds, former agent of Roosevelt County, is fostering the work there.

Santa Fe County has organized work in poultry, pig and garden projects this year.

Torrance County has secured Mr. Raymond Curry as club agent. The work has already been begun by last year's local leader and prospects are splendid there this year.

Valencia County has a new club agent who began his work April 11th. Club work is being conducted in sixteen counties in New Mexico. Where are you going to put Curry County in the list of sixteen?

IT'S A LONG WAY TO CLUB PERFECTION (Tune—"Tipperary.")

It's a long way to club perfection, It's a long way to go, But we'll raise pigs, chickens and gardens, And we'll cook and can and sew; Good-bye, loss and failure, good-bye doubt and fear, It's a long way to club perfection, But we're getting near. Delaware Club Song.

NOT ONLY IN CLOVIS

Similar Cases Occur Daily in This Vicinity.

Not only here in Clovis but in our neighboring towns, the same good story is heard. An encouraging instance from Portales is given here, and will be read by us with great interest.

Charles W. Carroll, Box 175, Portales, N. Mex., says: "My kidneys got out of order some time ago and caused me a heap of trouble. My back was so lame and weak, I could hardly bend over. My kidneys were in bad shape and caused me much annoyance. I felt tired out and had no ambition. Mornings I felt unrefreshed. A friend recommended Doan's Kidney Pills and I got some. About four boxes of this medicine cured me, fixing me up in A-1 shape. 60c. at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y."

The Telephone Is Back to Normal

During the past three or four months there has been a steady improvement in the telephone service, both Local and Long Distance.

Congestion of plant has been greatly relieved; intensive training of operating employees has added to operating efficiency, and the morale of our organization's personnel is back to pre-war standards.

There is a constant, determined and concerted effort on the part of the employe body to render the "old-time" quality of Telephone Service, and this spirit on their part is being rewarded by the appreciation of a grateful public. Certainly there is no other industry which was affected so adversely by war conditions that has made so rapid a recovery in point of service.

We especially call attention to improvement in our Long Distance Service. The long delays occasioned by war-time activities are things of the past. Our long lines afford the most efficient means for the dispatch of business with distant points.

By the way, calls on a station-to-station basis will save you at least 20 per cent. as against the cost of calls for a particular person. If you are not fully informed on this point, ask our local manager and he will explain. He will also explain our reduced Evening and Night rates for Long Distance Service.
